Assignment 5

IT3040 – SPM   **Semester 2**

➢ Details related to the assessment are as follows:

Weighting	The assessment is worth 20% of the overall marks for the unit
Deliverables:	▪ Source file of the system ▪ The completed ***contribution for the sprint 2*** document
Submission Date	02ⁿᵈ May 2022
Assessed Areas	▪ Completeness of all the CRUD operations (Insert, Update, Delete, and Search) ▪ Generation of meaningful report(s) ▪ System integration ▪ Quality of the product ▪ Validation of forms ▪ Presentation skills and smooth flow of the presentation without any interruptions ▪ Proper management of presentation time

Method of Submission	▪ Upload the following to the shared folder that will be emailed to you in due course:
	
	    • Source file of the system
	
	    • Completed ***contribution for the sprint 2*** document which is available in the course web module page

Method of Assessment	▪ Each member is required to demonstrate his/her function(s) with their webcam on. The creation of a slide deck is not required. ▪ The **maximum time** allocated for the entire group for the demonstration is **20 mins**. ▪ Points mentioned in the *assessed areas* section should be covered/visible when demonstrating. ▪ After the demonstration, there would be **10 mins** viva session.

Instructions to follow when participating for the presentation	▪ Before you join the meeting, make sure that:
	
	   o There is no background noise
	
	   o Your mike is working properly
	
	   o There is no issue with the internet connectivity
	
	   o You have a backup way for staying connected with the meeting in case of a power failure
	
	▪ Login to **MS-Teams** from your SLIIT account **10 minutes before the allocated time**. Without **disturbing the staff members**, stay patiently until one of them join you to the meeting.
	
	▪ If you **do not** participate for the meeting within the allocated **time**, you would be marked as "**Absent**".
	
	▪ Once you join to the meeting, you **must turn on your camera**. You are **not** allowed to use a **virtual background**.
	
	▪ From the camera, the panel members should be able to **clearly see you**.
	
	▪ Mention your **first name** and **registration number** before demonstrating your function(s)
	
	▪ Once informed, you should **quickly** leave the meeting.
	
	▪ Inability to comply with the instructions stated above **may result in a penalty.**
